## ORDER

**Defendants.**

This matter is before the court on the defendant Donovan Shaw's Unopposed Motion to Continue Trial [87]. Counsel needs additional time to receive and review additional discovery, and to meet the defendant to discuss and review the discovery materials. For good cause shown,

**IT IS ORDERED** that the Motion to Continue Trial [87] is granted, as follows:

1. The jury trial, **for all defendants**, now set for June 28, 2021, is continued to **August 16, 2021**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendants in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date** and **June 28, 2021**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(6), (7)(A) & (B)(iv).
